

# FAYETTE COUNTY EARTH DAY CELEBRATION **REDESIGN CONTEST**

**Who:** Any student in Fayette County

**Why:** To create new uses of non-biodegradable material

**When:** Schools may submit five entries by April 1, 2010 to the LaFayette Educational Center

**What:** Take a plastic bottle, a styrofoam egg carton, or a plastic bag and design a new use for that item

**Criteria:** Judging of top entries will be based on

- creative use of material
- practical use of new design
- ease of use in everyday life
- written description of use

Top entries will advance to the  
**2010 FAYETTE COUNTY EARTH DAY CELEBRATION**  
Shamrock Park, Tyrone, Georgia  
Saturday, April 17 / 10:00am – 3:00pm  
for final selection!
